One mystery, at least, is contained in the time capsule and is shown above at the moment of entry. Mr. Winfield Jenney, who placed historical items from the Historical Society in the tube, included a message to the people of the earth in 2076.

report and will puzzle over some of the items in the sealed iron container and find others very familiar. This capsule, buried at the base of the Center School flagpole, will give the future residents of Mattapoisett a look back to our time. The Red Bus boys of Old Rochester under Louis Corey's direction, prepared the iron pipe donated by Highway Surveyor Manuel Nunes. The 36" pipe was fitted with a sealed bottom and a gasketed top fastened with a row of bolts and signed by all the boys and Corey. Mr. Nunes prepared the neat hole and placed crushed stone over the sealed capsule.

Mrs. Elizabeth Field, chairman of the project, was introduced by Miss Katherine L. Aurich, principal of Center School, who opened the ceremony which marked a special Flag Day observance. Miss Aurich explained that town records will carry the record of the program, the list and location of the time capsule to be opened in one hundred years.

Mrs. Field introduced all of the people who placed items in the container. The children present were in colonial costume as were their teachers and the Old Hammondtown Band which played appropriate selections.

Placing items in the capsule were Selectman William F. Hubbard, Chief of Police Alfred Faria, Bicentennial Chairman John DeCosta and Mrs. Marilyn Lee of that committee,

APPLICATION DENIED

Mattapoisett Selectmen denied an application of Paul A. Roy for a seasonal all alcoholic beverage license for the following reasons: They stated that there is an adequate number of package stores in the Route 6 area to serve the public and that it is not in the public interest or good to grant the application. The Selectmen also found "that there is a material misstatement in the application in that the applicant in response to question #15 of said application responded that he was not receiving any financial aid from any person holding an alcoholic beverage license. However, the minutes of the public hearing of June 8, 1976 indicate that a Mr. Paul Vermette who is known to be a present licensee under General Laws Chapter 138 stated that he would be lending financial support to Mr. Roy in connection with the alcoholic beverage license which is sought under this application."

The Selectmen denied the application of Frank J. Linhares for a seasonal all alcoholic license because it was not submitted in the time period required since it was filed May 18, 1976 and should have been submitted in March of 1976. The Board stated, however, that they will accept a new application from Mr. Linhares should he desire to file one.

Bicentennial Service

AT SHIPYARD PARK

Shipyards Park, from which so many stout whalers were launched, was the appropriate location to launch the Mattapoisett Bicentennial Week. Townspeople gathered on the green surrounding the bandstand and many were in colonial garb. They were welcomed by John DeCosta, chairman of the event. John, accompanied by his hard working committee, spoke of his pride in their efforts to celebrate the nation's birth and of his pride in Mattapoisett. Taking part in the opening ceremonies on the stand with Mr. DeCosta were Selectmen R. William Blasdale, William Hubbard and Donald Linhares, Miss Dorothy L. Fox, Mrs. Genevieve Waterhouse, Mrs. Venita C. Peterson, Donald T. Welch, Thomas Marvin, Mrs. Lois A. Murray and Mrs. Marilyn K. Lee of the Bicentennial Committee; the Rev. Donald H. Finley, the Rev. William McClenahan, SS.CC. and the choir from Old Hammondtown School directed by Mrs. Claire Bessette and accompanied on the guitar by Mrs. Veronica King.

Thomas Marvin read excerpts from the Declaration of Independence.

Both the Rev. Donald Finley and the Rev. William McClenahan gave reflections on the Revolution. Mr. Finley, pastor of the Congregational Church, stressed the daring and innovative quality of the nation's new government. He spoke of the many firsts that were the result of the genius of the nation's founders. Father McClenahan, pastor of St. Anthony's Church, talked on the great diversity of our people. He said that our country has been called a melting pot but not accurately. Rather, he explained, we are a collection of people of great differences but each culture and race with something worthwhile to contribute to the whole. He said that we do not blend and melt like wax but interact and draw upon each other for knowledge, experience and strength.

The members of the Bicentennial Committee in turn recited quotes from the Revolution. The choir from Old Hammondtown led the townspeople in the singing of "America". They sang "Battle Hymn of the Republic", "Let There Be Peace on Earth" and closed the ser-

DISCUSSED the use of tape recorders at Committee meetings at the request of Members Woodward and Kemp. Mr. Woodward asked that a "gentlemen's agreement" be made among the members not to use tape recorders as a record of Committee meetings, in discussions during meetings among members. Mrs. Kemp said she read "an article in the Presto Press that gave just a one-sided view of the issue regarding the Athletic Director. In response to Mr. Woodward's remarks, Mr. Bogins said, "I don't really know how you could prevent members from using tape recorders."

The Committee concluded the discussion, apparently agreeing that Committee members would not use tape recorders as records of Committee meetings in discussions at later meetings, and that only the official record kept by the secretary at the meeting would be used.

DISCUSSED the staff situation at the Junior High School. Dr. Kunces said a letter was received from the Junior High School staff and that he found no fault with its content but that he felt that a full time secretary is the best way to handle the staffing problems at the Junior High School. Members Wood and Kemp praised Mrs. Mary Battaini for her performance in the Junior High School.

A motion was made to retain the funds in the budget but not to add any new personnel. The motion passed. Mr. Wood suggested the use of business students for secretarial needs and the possibility of a secretarial pool for use by both the Junior and Senior High Schools.

JUNIOR GRANGE

Mattapoisett Junior Grange was to have had an important meeting with the matron, Mrs. William Hubbard, last Tuesday, the 15th, in the Grange Hall. It was very disappointing when not even a quorum was present, especially when most of them were notified by Mrs. LeBaron. Another date has been set for June 29th at 3:15 in the Grange Hall. Let's be sure and go. The worthy Subordinate Master elect Dennis Sylvia has set up a committee to help with the Juniors, comprising Susan LaFleur, Patricia Whitmore, Katherine Buckley, William Smith and Ollie Gifford, who will help with the plans for the summer.

Center School Drama

PHOTOS ON PAGE 22

Mattapoisett Center School auditorium came alive this week when third graders performed two theatrical productions: "The Clever Shepherd Boy" and "Foxey's Back".

Teacher Pat Sylvia produced, managed, staged, scripted and otherwise directed some forty of her reading students in three separate performances of the two plays.

The third consecutive year Miss Sylvia has initiated such a dramatic presentation, children entertained first, second and third graders and their parents.

"Shepherd Boy", a fairy tale, and "Foxey's Back", a modern fablistic work, required a month of preparation. Parents of the players deserve credit for designing and creating costumes as does Barbara Barratt who mercifully coordinated the event.

Beamed Miss Sylvia, "It was a worthwhile and dramatic experience for all the children and encourages participation in dramatic arts on an elementary level. It was a great learning experience for everyone involved."

For her dedication in this production and in others, Miss Sylvia was presented with a bouquet of carnations following the Wednesday performance from all the children in the cast.

The Blues were led by Kevin Flood who had 2 homeruns and Bob Rogers with a 3 run home run. Steve Baggary was the winning pitcher who also doubled and scored the winning run. Mike Xavier pitched well for the Browns and also had 2 hits and scored 2 runs. In Rochester the Royals beat the Jets. Tuesday, in Mattapoisett, the Greens beat the Wanderers 7-1. Billy Haymaker pitched a 1 hitter and 14 strike out. Brendan MacDonald and Dana Barrows were the heavy hitters. For the Wanderers it was Dave McGee who spoiled the no hitter for Haymaker and scored the run. Wednesday, in Mattapoisett, the Blues beat the Royals 12-9. Hitting stars were Bob Rogers, Chris Lomba and Kevin "Flash" Flood whose home run in the first inning gave him his third homer in 3 times at bat. Phil Barber was the winning pitcher with sparkling relief from Chris Lomba who struck out the 4 bat-

A THANK YOU

We wish to thank the people in the town of Mattapoisett for their overwhelming support in responding to our needs as a family over the recent difficult years. We have lived in many areas of the country, but our children love Mattapoisett the best. And why not? With Halloween, band concerts, parades, swimming, boating, scouts and churches and schools that are children oriented, I would say that they are right. Our late son Jeff happily participated in all of the above and with the encouragement and support of the entire community had a very good quality of life. We wish to thank you for Jeff and say that he was always proud to have been a resident of Mattapoisett. The family of the late Jeffery Chopoorian

Mattapoisett Seniors

The regular meeting of the Mattapoisett Seniors' Club was held Monday, June 14th, at the American Legion Hall with Joseph Sylvia presiding.

A report was given on the upcoming club luncheon to be held at 12 noon on Monday, June 28th, at Anthony's Church Hall. June 24th is the last day that reservations may be made. Those who have not, as yet, made reservations, may do so by calling 758-2368. No tickets will be sold at the door.

Mrs. Sophie Sterling, chairman pro tem of the Mattapoisett Council on Aging, presented a check to the Seniors' Club. She explained that this check represented proceeds from past mini bus rider donations which the Council had held in a separate account. The club voted to accept the check with thanks.

Following the regular order of business Mrs. Janet Kennedy, executive secretary of the Mattapoisett Housing Authority, spoke to the members on "Housing for the Elderly". A good, healthy and informative discussion followed Mrs. Kennedy's talk and we wish to thank her for sharing with us knowledge on this most important subject.

Coffee, cake and ice cream was served by our outstanding refreshment committee. We wish to thank them for bringing this pleasure to us all after each meeting.

Remember the luncheon on June 28th will be our last gathering for the season.

What about FISH?

Since 1971 an organization called "Fish" has been responding to requests for "help" from people in Mattapoissett. All "Fish"-ermen are volunteers with sufficient interest in and concern for others to be willing to give of themselves to provide transportation, a meal, babysitting, or other services in an emergency or when no other arrangements can be made.

Volunteers have responded tactfully to a variety of requests similar to these examples from other communities ---- wielding broom, mop and dustcloth for a woman just returned from the hospital too weak for household chores, defrosting a refrigerator, making many trips to find wheel chair parts, taking an arthritic patient to a doctor and an oculist, and providing a meal for a disabled veteran just out of the hospital.

The kindergarteners at Old Hammondtown School have been involved in a Social Studies project dealing with the roles and occupations of family members. Parents were invited to participate in this program in order to make the concepts more meaningful. Classroom presentations were offered by such professionals as: science teacher, hair stylist, mother, soldier, employment counselor and physical education teacher.

First hand experiences were provided through field trips. While visiting Heuberger's Meats, the children observed storage of sides of beef, hamburger patties being shaped, and the general operation of a

meat processing firm. Students pretended to "order" their favorite cut of meat as they have seen their parents do.

At the Worley Bedding and Furniture Factory in Fairhaven the children were shown the intricacies of mattress making. From seeing the cutting of the fabric through the assembling of inner parts to the sewing of the final cover, the children were better able to understand the job duties of a classmate's father.

The Fairhaven Savings Bank provided the setting for the pre-schoolers' banking experience. Explained were the uses of the coin sorter, drive-up window, vault, copy machine, dumbwaiter, and executive offices. A closed circuit television system used to monitor strategic locations allowed the children to view themselves and their classmates touring the building.

Many large, noisy machines, reams of paper, and a dark room greeted the children at Hiller Printing Co., Inc. of New Bedford. An enormous multi-color press was printing red and black scorecards as we entered. Paper was being folded, perforated, and cut, by other equipment. As a souvenir of the visit, each child took home a print of his and his peers' signatures.
